So, it is high time we have to hit the books, more specifically in this case the books that will help us in handling the daily life. The pandemic has virtually put everything on hold and hence it becomes crucial for us to recoup all that we have lost during this time of crisis. The average pandemic makes a person uncertain about his future and this uncertainty gives him a kind of nervousness that he did not expect. Now the world has to concentrate more than ever so that the situation does not deteriorate and more importantly, we have to make sure that this crisis does not impact our way of life. In this era of uncertainty, a mere pandemic has made a big impact on us and to make us learn from it and conquer it, this is one of the major books we are going to learn from and this book is Ghanashyam Vaidya's Book.
